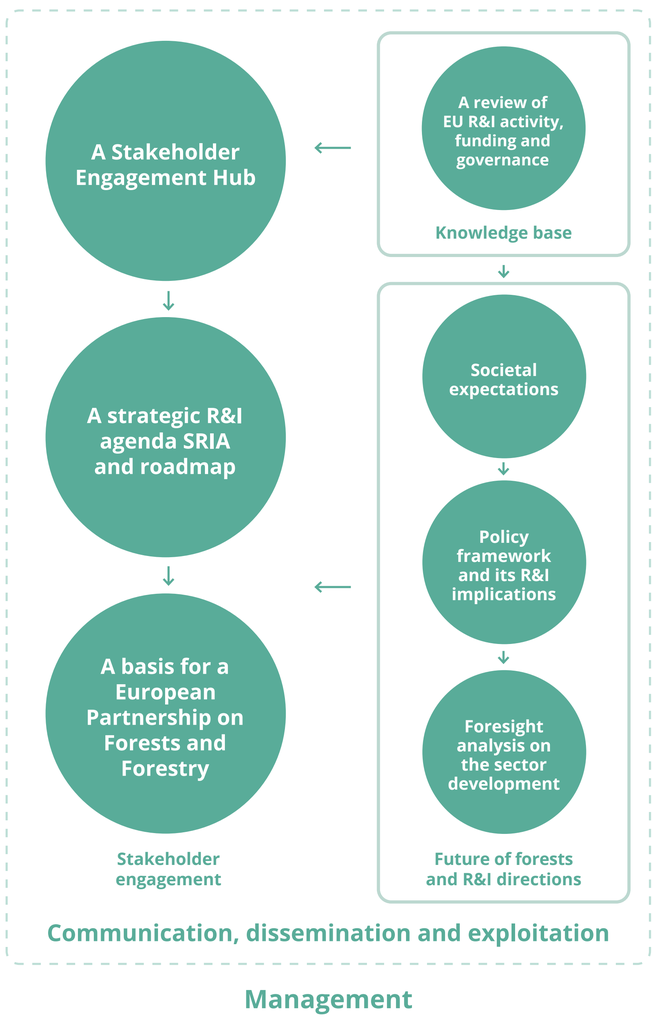
Building a sustainable, trans-national and co-creative environment to define, implement, and evaluate an R&I agenda and roadmap for the entire forest-based value chains in Europe

EUFORE

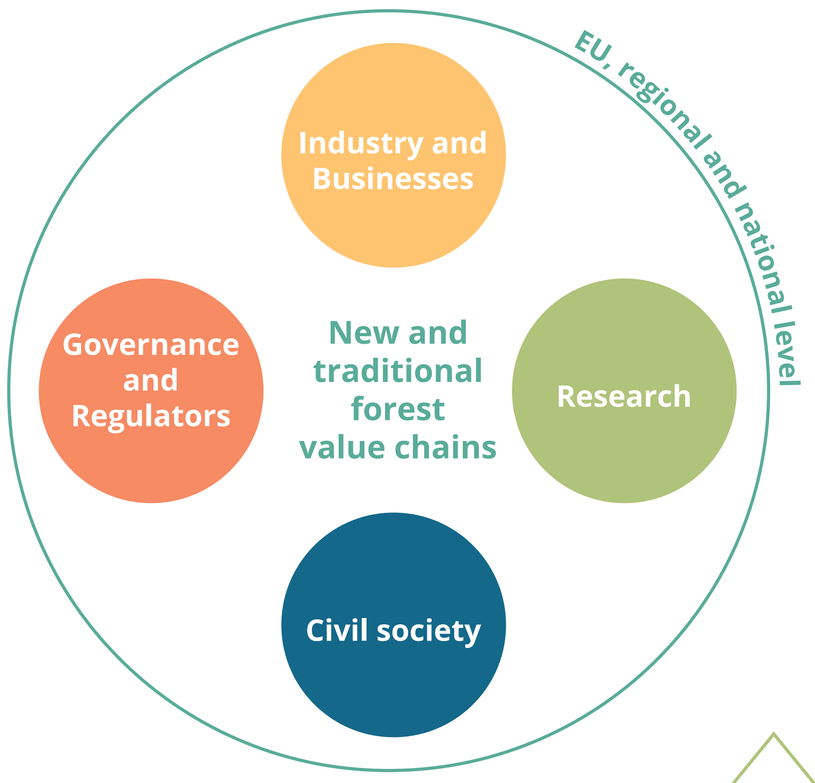
European Forest Research and Innovation Ecosystem

- Wood products
- Wild forest products
- Regulating ecosystem services
- Cultural ecosystem services

What are EUFORE's main outputs?

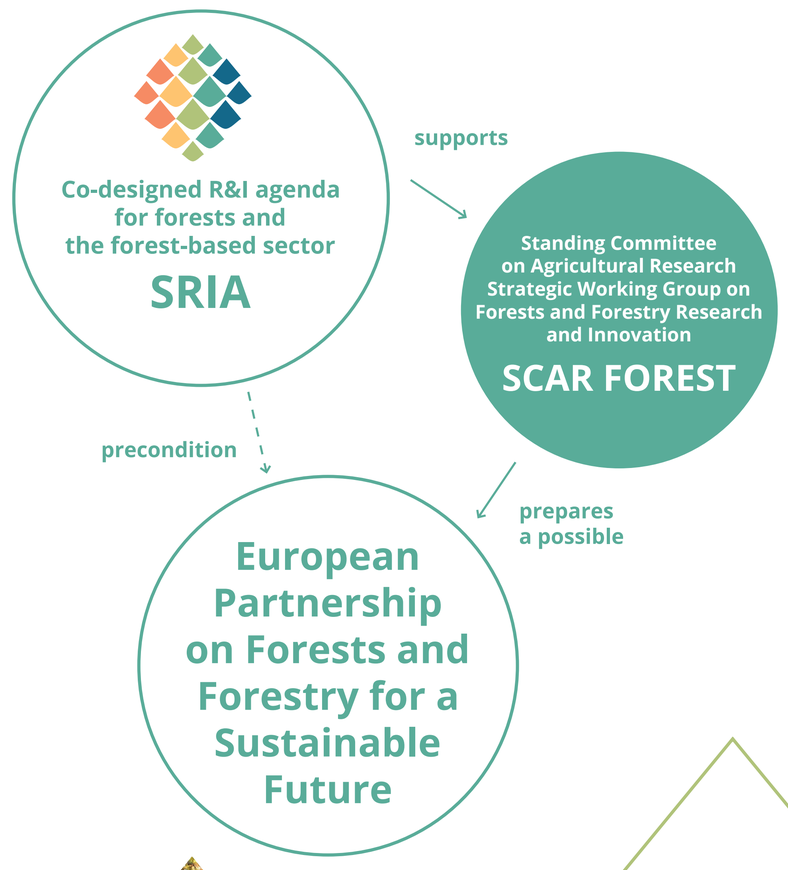


How are relevant stakeholders identified?

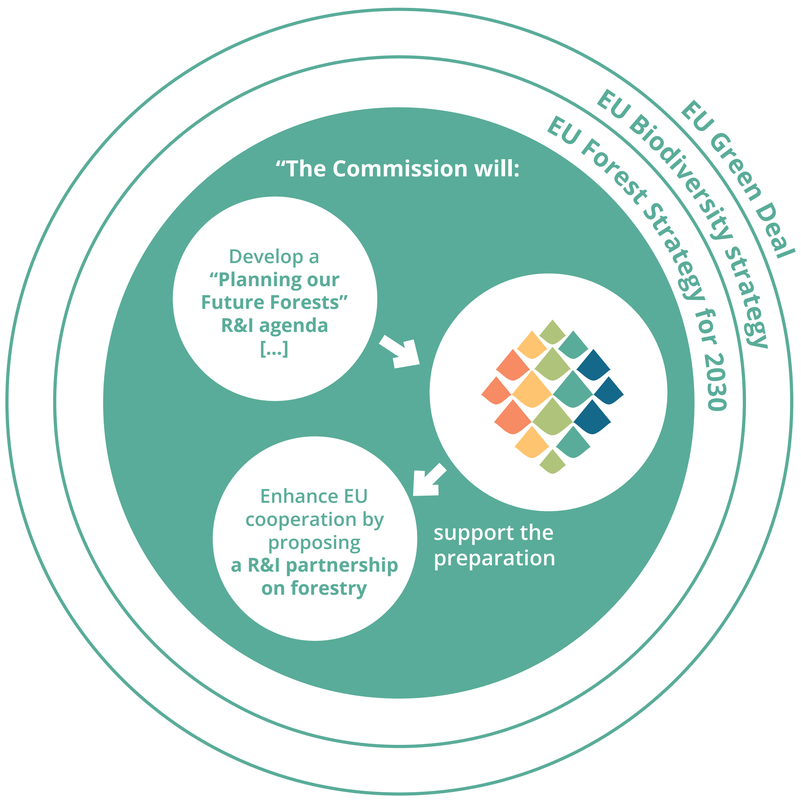


Quadruple helix approach

What is the purpose of the SRIA?



How does EUFORE contribute to the EU Agenda?



Expected impacts

- Increased coordination of R&I funding in the sector
- Improved sector's open innovation ecosystem
- Responsive sectoral management and benefits sharing
- More sustainable forest management
