

Connecting forestry and agroforestry partnerships across Europe

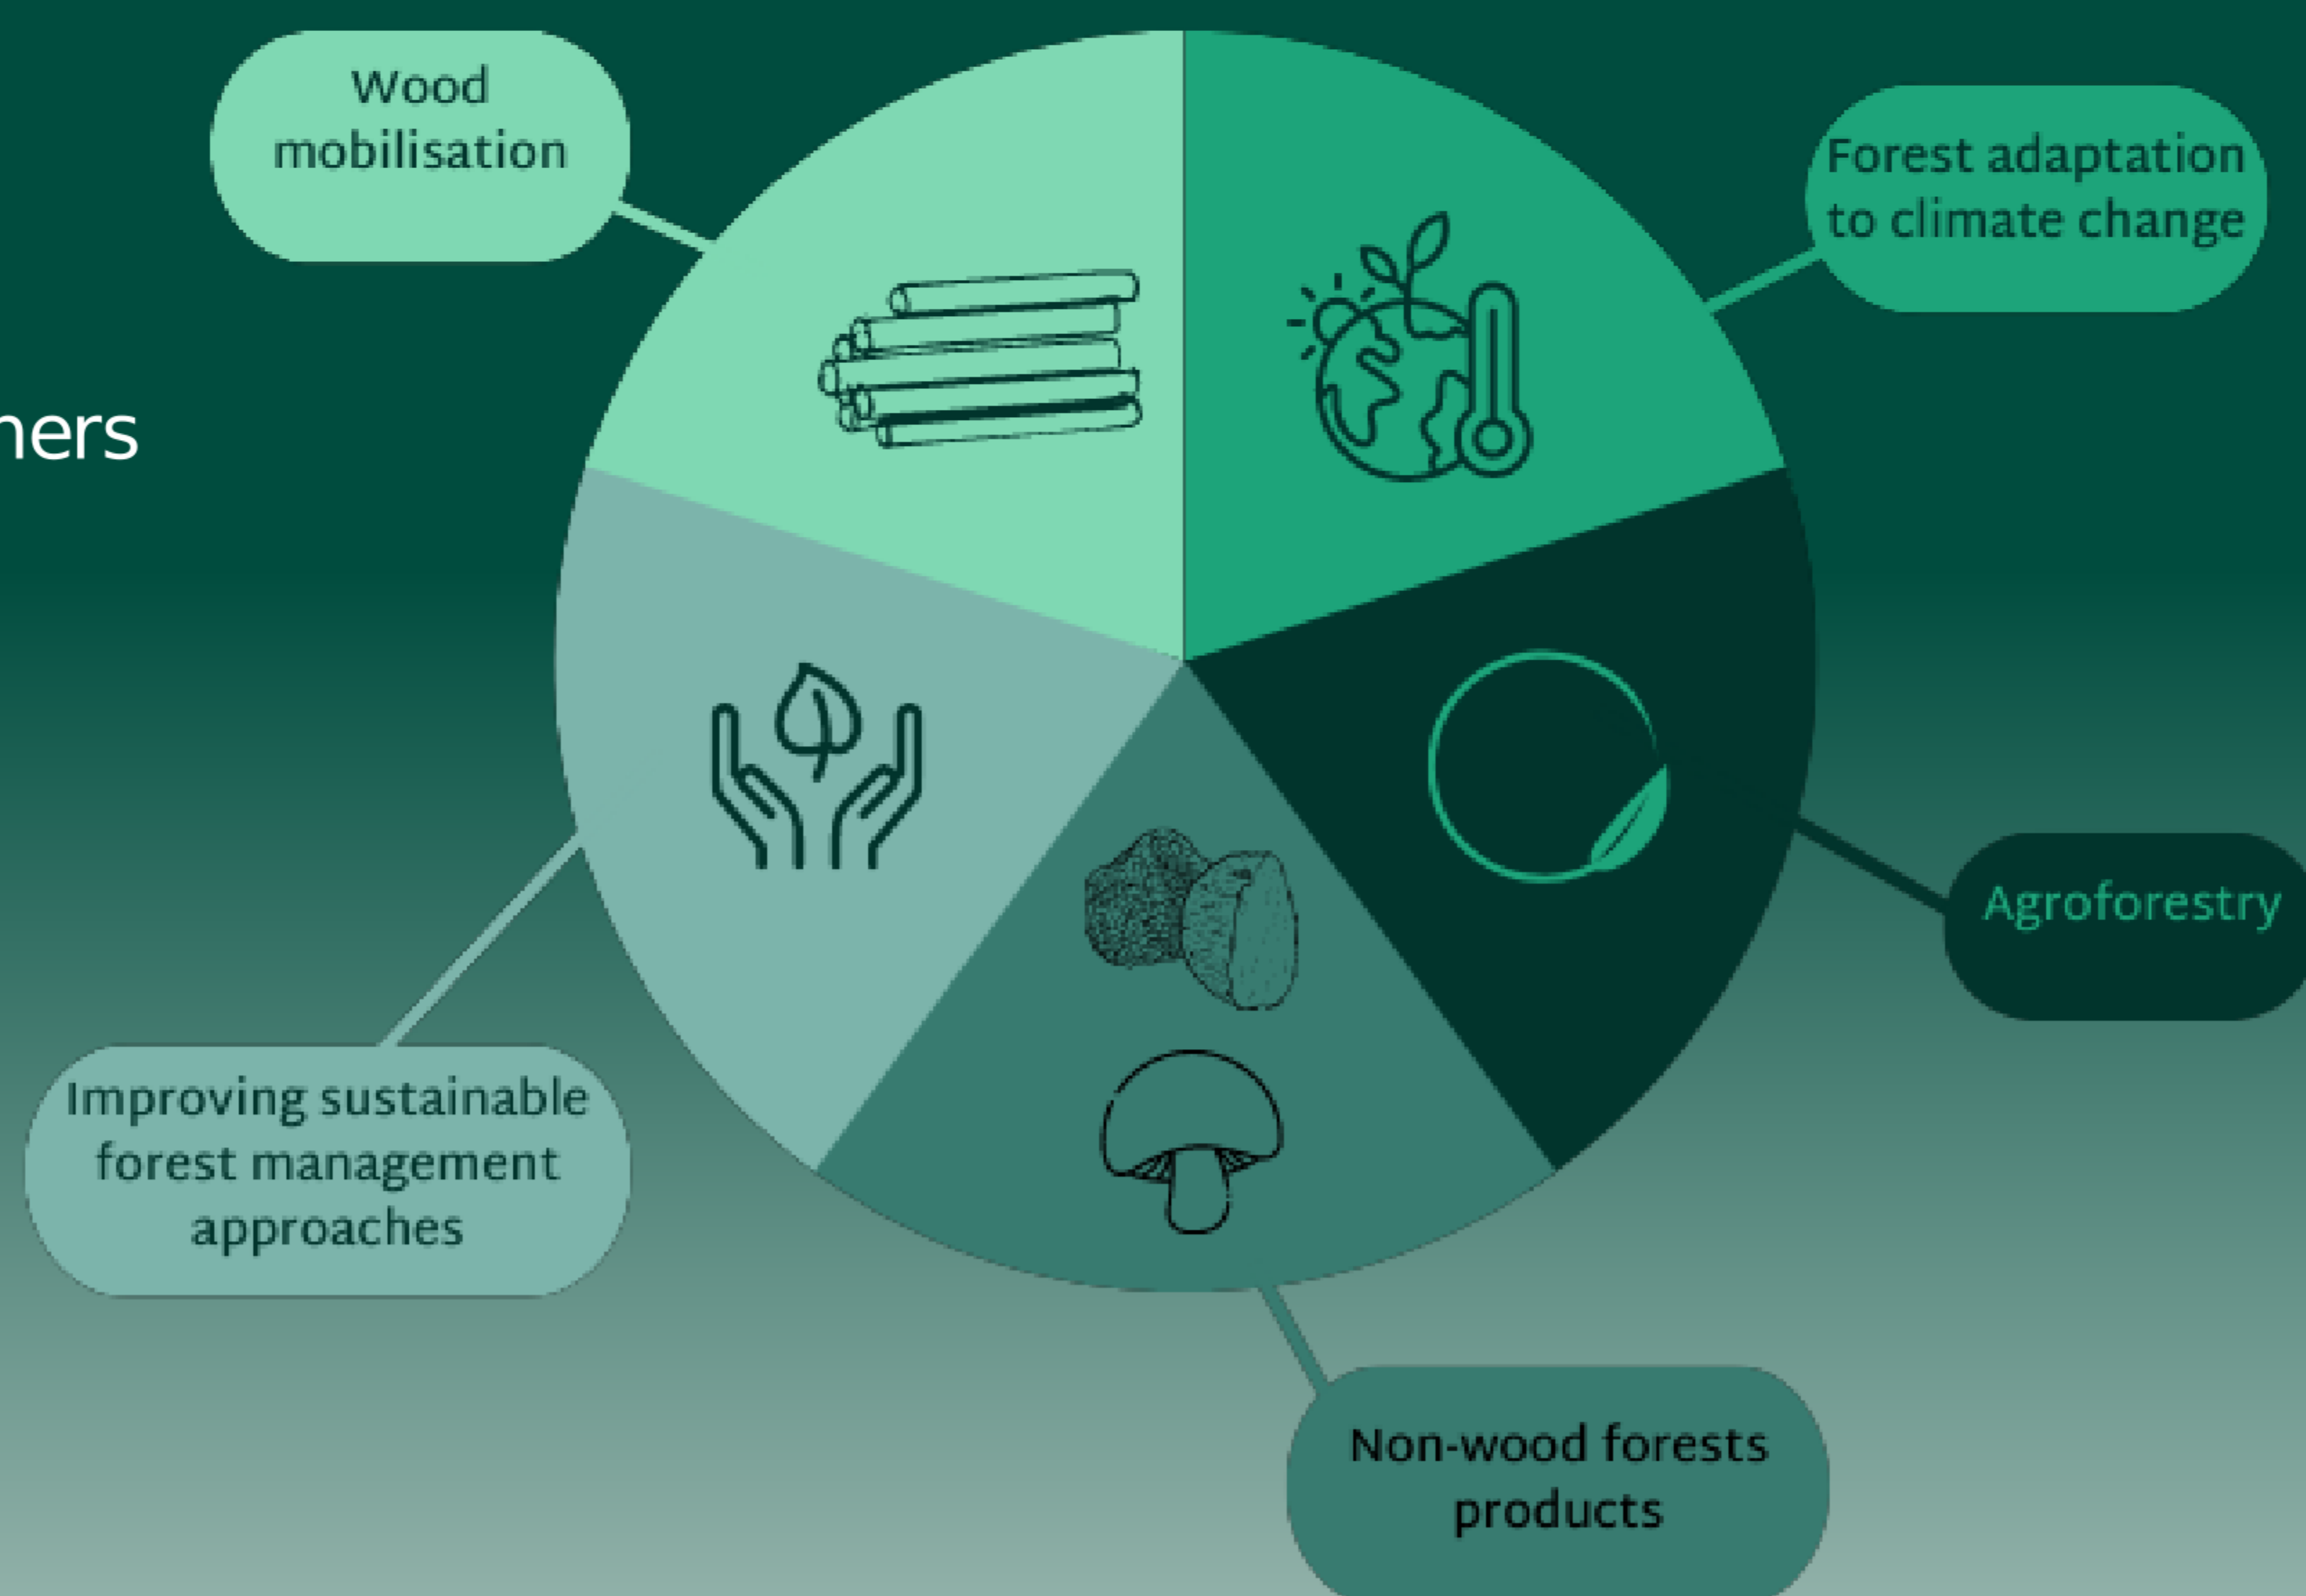

Advancing innovation and best practices among Operational Groups at the EU level

Objectives

- Connecting OGs in forestry and agroforestry across Europe
- Supporting knowledge transfer between practitioners
- Mainstreaming OGs in forestry and agroforestry through policy learning

Innovation Topic Hubs - ITHubs

The project establishes 5 multi-actor ITHubs across Europe to examine innovations in forestry and agroforestry and make this knowledge broadly available.

Project's first results

- 102** submissions for the Policy Focus Groups
- 247** submissions for the Stakeholders database
